Headteacher: Mr R Clark

2 November 2020

Dear parents,

Welcome back, I hope you have all had a good half term. Unfortunately it appears the pandemic is not improving as much as we would have liked. With the Government announcing a further lockdown from Thursday I would like to once again emphasise the following points;

- Socially distance.
- Where possible one family member dropping off and picking up.
- Leave the school grounds immediately.
- Send as little as possible into school.
- Do not let children mix on the yard.

In addition to the above points I would also now like to ask parents to wear a mask on the school grounds.

Please remember that if any member of the family goes for a test then children are required to self-isolate until that test is confirmed. If positive then children must isolate for 14 days from the day of the test or from when the symptoms started.

Please inform school:

- If your child is absent
- If your child is showing symptoms
- If a child or close member of the family goes for a test
- The outcome of any Covid test

We have done so well since September and if we want to keep our school and bubbles open then I cannot stress enough how important all of the above points are.

Thank you to everyone for your support.

Yours sincerely,

Mr R Clark
