

### *Brampton Primary School Vision*

## ***Believe· Persevere· Succeed!***

*At Brampton Primary School and Nursery, we promise to:*

- Make our school a safe and exciting place where you can learn and grow to be the best you can be;*
- Celebrate everything that makes you special, like your experiences, culture, and knowledge, and use these to help you succeed;*
- Support our teachers so they can always get better at helping you learn;*
- Celebrate your achievements, both in and out of school, and help you feel confident and proud of yourself;*
- Treat everyone fairly and make sure everyone has the same chances to learn and succeed;*
- Teach you interesting and fun things that help you grow, with lessons designed just for you;*
- Make sure everyone feels welcome and included, no matter how different we are, and celebrate those differences;*
- Help you become kind, caring citizens who respect yourselves, your friends, adults, our school, and the whole community.*
